Jefferson 60' Marquessa

JEFFERSON YACHTS, INC.
The New Standard of Excellence

A Level Playing Field

The Jefferson 60' Marquessa brings simplicity to the lives of cruisers who seek a level playing field.

Jefferson's Marquessa flush deck allows for convenient arrangement of the galley, saloon and aft deck areas, all on one level. Cruisers can easily move about from the aft deck to the spacious saloon, with its hand-rubbed, teak coffee table and entertainment center, to the fully-equipped galley with its full size appliances and high-gloss teak cabinetry. There's plenty of storage for utensils, glasses and flatware.

Below decks, the master suite is located at the opposite end of the yacht from the guest quarters. This private sanctuary features a score of amenities including a king bed, spacious cedar wood lined hanging lockers and en-suite head with separate stall shower or bathtub.

A private study with space for a computer desk is located just aft of the forward stateroom. This refuge is equipped with its own air, sound and lighting adjustments. The forward area also accommodates the crew's quarters, washer/dryer and shower.

On the flybridge, you will find commanding 360° views of the surrounding waters. Amenities include vinyl-covered seating, a bar, wet sink and extra storage with room for an optional grill.

Marquessa's exclusive hull design gives maximum performance at lower horsepower ratios. Engine packages feature a choice of Cummins, Caterpillar or MTU/Detroit Diesels.

Jefferson Yachts has built its rich 22-year heritage on painstaking attention to detail, efficiency and affordable luxury.
